TERMS AND CONDITIONS

1. Customer Eligibility

You must be a residential heating customer of Berkshire Gas, Blackstone Gas, Columbia Gas of Massachusetts, National Grid (MA only), New England Gas, NSTAR Gas, Unittel (MA) or Unittel (NH) to qualify. Only equipment purchases and installations made between January 1, 2013 - and December 31, 2013 are eligible for rebate. Equipment must be installed by a licensed heating or plumbing contractor at the customer's address listed on the GasNetworks Rebate Form. **Rebate form must be filled out completely, signed and accompanied by dated receipts or invoices, and received by GasNetworks within 60 days from installation date.**

2. Installation Verification

Prior to honoring any rebate, GasNetworks reserves the right to conduct an on-site verification that the equipment has been installed according to Program Guidelines and is in operation. This site visit, and all aspects related to this site visit, are conducted solely for such purpose. The site visit is not a safety review, nor is it intended for any other purpose.

3. When will I receive my rebate?

Pending approval, we will process and mail the rebate within **6 to 8 weeks** of receipt of the properly completed and signed application.

4. Warranties

GasNetworks and the Rebate Administrator do not endorse, guarantee or warrant any particular contractor, manufacturer or installation.

5. Changes to High-Efficiency Equipment Rebate Program

Program is subject to change without prior notice, and rebate offers may increase or decrease at any time.

6. Tax Liability

Participants of the program may be subject to tax liability for the value of goods and services received through the program pursuant to state or federal income tax codes.

7. No Tax Liability to GasNetworks and Rebate Administrator

GasNetworks and the Rebate Administrator are not responsible for any tax liability which may be imposed as a result of receipt of the rebates provided by the natural gas utility to the customer.

8. Liability & Release

As part of the consideration for participating in the program, participant hereby releases and shall indemnify, hold harmless and defend GasNetworks, its member utilities, and the Rebate Administrator from any and all claims, losses, harm, costs, liabilities, damages and expenses (including attorneys' fees) of any nature whatsoever arising directly or indirectly out of or in connection with the installation of high-efficiency equipment at the premises or any material and labor required for such installation.

9. Changes to Rebate Amounts

GasNetworks will provide rebates for approved equipment up to the rebate amount indicated in this application. **Projects greater than ten (10) units require pre-approval from GasNetworks for rebate funds to be reserved.** Pre-approval can be obtained by contacting gasnetworks@smartenergy-zone.com

10. Where can I find a contractor to install the equipment?

Refer to the ENERGY STAR® website at www.energystar.gov for tips on how to find the right contractor, and check the local Yellow Pages for a complete list of licensed plumbers or heating contractors that specialize in gas heating and water heating systems.

11. Payments Assignable to a Third Party

(a) The Customer may request that the incentive be paid directly to a third party by so indicating in the Program Application. Notification of third party payment will be sent to the Customer ("Account Holder") upon submission of the Program Application for the purpose of customer confirmation. (b) If no payment choice is made, the Company will send the incentive payment directly to the Customer ("Account Holder") at the address indicated in the Program Application. If payee information is different from account holder information and the gas utility provider is National Grid, additional processing time will be needed for payee verification.

Participants who receive equipment incentives through another energy efficiency program offered by the participating PA's are not eligible to receive incentives directly through GasNetworks for the same equipment. This does not apply to the HEAT Loan financing program.
