

TJ'S VIESSMANN FALL REBATE IS BACK!

TJ's is teaming up with Viessmann again to offer boiler rebates on the entire Viessmann residential product line. This year, EVEN water heaters qualify, whether a boiler is installed or not.

As a Viessmann ViPRO contractor, we are exclusively eligible to offer an affordable 10-year extended limited warranty to our residential Viessmann customers. This warranty increases Viessmann's standard 2-year warranty to 10 years.

Experience for yourself what Viessmann excellence is all about. Call us today!

\$100 rebate available for the purchase and installation of a Viessmann Vitocell indirect water heater.

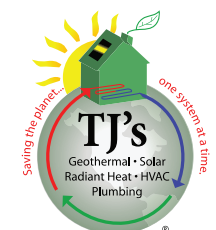

\$200 rebate available for the purchase and installation of a Viessmann Vitodens 100 or 200 boiler.

\$300 rebate available for the purchase and installation of a Viessmann Vitocrossal boiler.

\$500 rebate available for the purchase and installation of a Vitodens 222-F combi boiler, or any Vitodens or Vitocrossal boiler purchased in combination with a Viessmann Vitocell indirect hot water heater.

**Boiler must be purchased and installed by TJ's Plumbing and Heating, Inc. between September 1, 2018 and December 31, 2018.*
