

Lisa Cutler is the owner of TLC Custom Vacations; but, she is no stranger to the HVAC Industry. She has been the Controller for TJ's Plumbing and Heating, Inc. for over 25 years and earned her LEED Green Associate credential in 2010. Lisa is personally responsible for all of TJ's marketing, budgeting, web site updates, blogs, project updates, and day-to-day operations.

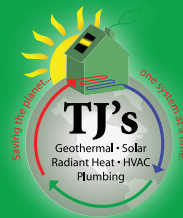

DON'T MISS OUT ON THIS AMAZING EXPERIENCE!

ISH must be seen to be believed.

Held every two years, ISH draws around 2,400 companies together onto a fully booked trade fair site (250,000 square meters) – including all market and technology leaders.

It is a "must see" for anybody in the HVAC industry.

"KNOWLEDGE IS POWER"

HVAC Industry Tour to Germany

Featuring three full days at ISH, manufacturing tours, and sightseeing

MARCH 9 – MARCH 16, 2013

Sponsored and led by
TJ's Plumbing and Heating, Inc.

Tim is the president of TJ's Plumbing and Heating, Inc. He has been in the mechanical contracting business for over 25 years. His experience spans the entire HVAC industry, including geothermal, radiant heat, conventional heat, air conditioning, zoning, heat recovery, solar, boilers, controls, plumbing, and Control4 home automation. He does whatever it takes to stay on the cutting edge and has maintained a competitive edge in a very competitive field.

Tim has been to ISH numerous times in the past and has very close contacts with the manufacturers that are exhibiting, including; Viega, Viessmann and Buderus. He also adds a personal touch with his more than 25 years of mechanical knowledge and sales experience to the tour. He is willing to share his years of knowledge and experience to help all those in attendance understand the importance of staying on the cutting edge when it comes to technology. The HVAC industry is ever-changing it is critical to change with it. The best way to do that is by continuing to educate yourself with the latest technology. There is no better place to begin than at the largest heating and sanitation show in the world – ISH 2013!
