Homeowner Mail-in Rebate

Viessmann recently teamed up with Designing Spaces on a "Think Green" segment featuring a Rhode Island home retrofitted with a high-efficiency hydronic heating system. To give homeowners a head start on their own heating system installation or upgrade, Viessmann is offering U.S. homeowner rebates up to \$500.

To learn more please visit www.viessmann.us/designingspaces or call toll-free at 1-855-454-6092.

Purchase and install one or more of the following products from Viessmann between January 18, 2013 and April 30, 2013 to qualify for the following mail-in rebates:

- Vitodens 100 (\$100 Rebate)
- Vitodens 200 (\$200 Rebate)
- Vitodens 100 + Vitocell 100/300 (\$200 Rebate)
- Vitodens 200 + Vitocell 100/300 (\$500 Rebate)

Simply complete the rebate form and mail together with a copy of the invoice from your installing contractor to Viessmann Manufacturing Company (U.S.) Inc.

Rebate only available for the purchase and installation of the Viessmann product(s) listed above. Rebate amount is dependent on the product(s) purchased and installed. See above for details. A copy of the contractor invoice must accompany this rebate and must be submitted by May 31, 2013. Cannot be combined with any other offer. Rebate valid for installations between January 18, 2013 and April 30, 2013. For U.S. homeowners only.
